Perth City Swimming Club

DAY 1 SC AUSTRALIAN CHAMPS

DAY 1 HEATS

DAY 1 has been an amazing start to the 2012 SC Australian Championships.

Perth City was represented by 10 swimmers in the first session.

Damo first to hit the water in his 200FS. Finishing 30 overall and 2nd 15yr old in a time of 1.53.55.

The girls breaststroke trio of Montana, Brittany and Kate hit out the 50 BR. With Montana just outside her PB. Brittany and Kate both PB'd, 33.23 and 33.63 respectively.

Chris Dom pumped those arms in the 100BK to swim a solid first race in 59.78.

The youngest of the team stood strong in her first Australian Open Championships and nothing like starting your week of racing with a 200 Fly. Tamsin demonstrated commitment to step up to the mark with a good heat swim to finish 28th and 2nd 13yr old.

Swim of the morning would be Brianna's 200 Fly. Bria went a sizzling 2.09.08 to qualify fastest for tonight's final. Whoohoo!

Will Rollo measured up in the 100BR. When chatting with Will he described the feeling as overwhelming. Will kept it under control and experienced his first swim.

Damo in his true nature backed up with a 100 Fly. Solid swims for both of them as part of his preparation for state teams..

The final race for Perth City this morning was the Women's 400IM. This being another highlight of Perth City demonstrating the talent and world wide exposure we have. Jess and Hanna being visitors needed to blast the heat with the 'no visitors in finals' policy. Jess did just that with a remarkable 4.35.51 and Hanna experiencing her first WA race. Welcome!

What the coaches say

Exciting for Perth and exciting for the team. I expect everyone to grab at this opportunity with both hands.
