DAY 3 SC AUSTRALIAN CHAMPIONSHIP

Blair and Jess just miss Qualifying time for Australian World SC Team

The 400FS was an exciting final for the night. In an unusual situation the two fastest qualifiers were swimming in different finals due to the visitor ruling. Blair raced with an exciting 400FS taking control through each lap. As know with short course racing the double laps can create some concerns. Looking quite comfortable through out the 400 Blair turned at the completion of the distance thinking she had 2 laps to go. Her time with a feet finish was 4.05.49 just 0.24 outside qualifying for the Australian Team.

Wishing Blair the best of luck in the 200IM final tonight.

Jess swam in the B final near the end of the program. After a solid heat swim working on the back end and coming out with a PB she aimed for a more consistent race. Her time of 4.06.86 was again another PB.

Brianna blasts the blue ribbon event

Brianna swam in the final of the Women's blue ribbon event 100FS. She has clearly taken stake on that 54 seconds. Setting a new PB of 54.32. Brianna has the 100 FLY Semi Final tonight.

Gluey's Gibes given world credit for natural remedies

Everyone was amazed to see Will Rollo on pool deck last night, in fact even his mum. After not being well and having to withdraw from all individual races Will was taken home quite ill. Penny (Will's mum) stated, "I put Will to bed to try and sleep it off, as far as I was aware he slept for 4-5 hours." However after touching base with Will poolside he was adamant that the reading of Gluey's Gibes had such an amazing reaction to his recovery. "I saw Dom's picture in Gluey's Gibes and it just made me smile. And honestly that was it I pulled myself out of bed and thought there is no way I'm going to let Dom think he is number 1!"

Gluey's Gibes has been compare to local Chinese Herbal Remedies and given world wide credit.

Dom's signature mark "The DOM" has spread around the Perth City club. While the elite are racing the Development club members are training hard.

perth city angels

Perth City Angels raced in the 4x100 Medley Relay. With the team loaded with young National Age swimmers they proved they are ready for the higher level of competition.
